HOW TO FIND YOUR COST

Your cost is shown on the bottom line of the descriptive copy of each illustrated item. The bottom line contains the model number of each item, followed by the reference price, and the words, "Your Cost", which is the cost of the item described.

Example:
1721-463 \$690.00 Your Cost \$475.00

The "Reference" price referred to above is not our present or former selling price. It is either the suggested list price recommended by the manufacturer, or when this is not available, our estimate of the comparable price of similar merchandise being sold at retail by some stores in this area.

SHIPPING INFORMATION

How to Figure Parcel Post and Insurance Fee

- Find your Zone. (Determine the distance you are from the Westheimer location and use the Zone covered by this distance.)
- Add up the weight(s) of the article(s) selected.
- Refer to the chart below to determine your postage.
- Add 6½% or current sales tax rate to your cost for city and state tax. Don't add sales tax if shipping out of state.
- Add the amount of the Insurance fee as per the total of your postage.

Example:
If you are in Zone 3 and your purchase totals 15 lbs. in weight and costs \$46.50, the tax is \$2.85, the postage is \$3.06, the insurance fee is \$1.40 for a total of \$53.51.

To expedite your mail order, please list membership card number. Send check, money order, or use your Houston Jewelry Charge Account. For your Shopping Convenience we will accept Visa, MasterCard or American Express.

Items that do not show shipping weight, weigh less than 1 lb. Use minimum mailing fee of \$3.00. For those items up to your cost of \$200.00 insurance is included. You may order as many items as you desire for the minimum charge in the following departments only: rings, watches, all ladies' and men's jewelry, pens and pencils, lighters, and billfolds.

No sales tax is required if shipped out of state.

All Mail Orders have a Minimum charge of \$3.00. If Postage plus Insurance is less than \$3.00 use minimum charge.

Our Diamond Department continues to specialize in fine quality Diamonds. For a thorough explanation of Diamond qualities, inquire at time of purchase. Weights may vary slightly and price varies according to weight.

For well over a quarter century, we have been known throughout the entire Southwest for offering our customers the greatest values and the largest selection of fine jewelry. To continue this policy of giving our customers the best possible savings, we have established this price policy.

The price of gold fluctuates daily. In the past few years gold has been as low as \$295.00 per ounce and as high as \$850.00 per ounce. In an effort to give you the best possible price for fine jewelry, we have established this method on pricing 14 Karat and 18 Karat gold jewelry. Our method will enable you to buy jewelry based on the current price of gold and obtain the best value for your money.

Current Price of Gold
