TURN OLD GOLD INTO CASH

Turn your old, worn out, outdated gold jewelry into CASH.

Now, take a look in the bottom of your jewelry box to find those single earrings, broken and dented chains, or the class ring you haven't worn in years. Then turn all of it into cash.

We will buy all of your unwanted gold and silver jewelry, regardless of what shape it's in. We offer the best possible price at the time of transaction and will provide CASH on the spot.

Visit us today to see just how much your old gold is worth!

 BRILLIANCE YOU DESERVE®

Color: the essence for all top trends predominant on runways and at award shows. The 2014 Color of the Year was declared to be Pantone color No. 18-3224, aka Radiant Orchid, a fuchsia or purplish-pink which will be seen in both clothing and in jewelry.

Orange: will be the go-to color, perfect for color-blocking with this spring's abundant blue hues, as well as Radiant Orchid. Be sure to shop for jewelry designs created in sapphire, zircon and tourmaline. All three of these gemstones have color variations of both orange and blue!

Yellow Gold. This precious metal has been admired and adorned for centuries and is back in full force in high fashion profiles. Yellow gold is the perfect year-

round solution for a dramatic or subtle appearance.

Geometric Shapes. Pyramids, circles, chevrons and domes available in unisex fashion stud earrings and jeweled stick-pins for lapels, hats and hair will create clean silhouettes to compliment spring's graphic and angular wardrobe designs.

Bangles, Bracelets & Cuffs. Whether dressed in a black evening gown or t-shirt and jeans, no wrist should go without decoration. This spring's go-to accessories include a single slim diamond tennis bracelet, gem encrusted stackable bangles, and wide, bold, gold cuffs.

Visit us today, we are happy to help you create your own spring fashion wardrobe.
