 BRILLIANCE YOU DESERVE®

# Chillin' Citrus Cocktail

This season shake it up with a refreshing concoction of citrus colored gems to celebrate summer and warm weather. Nothing is more refreshing than a blend of lemon, lime, and orange colored gemstones on a sunny summer day.

Mix and match sweet orange sapphires with a splash of tart apple-green peridot and lemon-yellow citrines to freshen up any wardrobe. All citrus gemstones will look delicious in a martini stud mounting or delightfully dangling from a chilled sterling silver, white gold or warm yellow gold setting.
