Did You Know?

What do you give a baby who has everything? A Manhattan-based company has created an 18k white gold rattle, lined with sapphires, rubies and diamonds in a Union Jack flag design for none other than the newborn Princess, Charlotte Elizabeth Diana of Cambridge, fourth in line to the British throne. The company stated the rattle has a value of \$45,000.

JUNE BIRTHSTONES

Pearl. Pure white pearls have for thousands of years been viewed as a statement of taste and refinement, as well as a symbol of perfect purity.

Alexandrite. June's alternate birthstone is famous for its ability to change color, appearing green by day and red at night.

Receiving a gift is a fun part of all celebrations. If you find it hard to decide what to give on these special days, visit us today and we will be happy to help you select that perfect gift.

Father's Day. This important occasion falls on the third Sunday in June and is a special day to say I love you or give thanks to Dads in your life. This year, give a gift that reflects an activity he enjoys most. Popular motifs are available on colorful enamel cuff links, key rings, dog tags, ID

bracelets and money clips. Choose from gold, silver or a masculine alternative of titanium or stainless steel.

Graduation. A fashionable watch is a popular gift for both male and female graduates. Female grads will welcome any gift of fine jewelry from a strand of pearls to diamond stud earrings, and don't forget a jewelry box to store her jewelry treasures safely for years to come. Male grads will enjoy a classic set of cufflinks, stylish signet rings or personalized initial jewelry.
