Did You Know?

Spring is the time for a ring safety check. Winter gloves, scarves and hats can easily snag on ring prongs, causing them to become worn or bent and allow gems to fall out. So, don't take chances! Bring in your rings now and let us check the settings. It only takes a few minutes and can prevent costly accidental loss.

June Birthstones Pearl/Alexandrite.

The glowing luster of the pure white pearl was long believed to bring serenity and a happy marriage to those of June birth. June's alternate birthstone, the radiant alexandrite, often described as "emerald by day, ruby by night" is the very rare, color-change variety of chrysoberyl.

 BRILLIANCE YOU DESERVE®

Giving and receiving gifts is an important part of any special celebration such as Mother's Day, Father's Day, birthdays, baby and bridal showers, graduations and confirmations, and the traditional appreciation gifts given to wedding parties.

Father's Day. Father's Day falls on the third Sunday each June. It is a special day set aside to say "I love you" or give thanks to Dads and Father figures in your life. If you aren't heading to dinner, the ballpark or golf course, gift items personalized or symbolic of activities he enjoys will always be appreciated and cherished throughout a lifetime.

Special Occasion Gift Ideas. Fashionable watches, cuff links, signet rings, birthstone, and religious jewelry are all thoughtful gifts. A memorable first strand of pearls or diamond stud earrings will certainly commemorate any young lady's special achievement. Keepsake gifts include friendship bracelets, charms, lockets, engraved champagne flutes, and photo frames are all thoughtful and sentimental gifts that will last decades.

If you're finding it difficult to select a special gift for an upcoming celebration, we'll be happy to help.
