Did You Know?

June is one of the most popular months for weddings. The Latin name for the sixth month of the year, in English is Iunius, meaning "sacred to Juno." In Roman myth, the goddess Juno is the patron goddess of Rome, marriage, and childbirth. June weddings may have started because of the blessing that this goddess bestowed on those wed in her sacred month.

June Birthstones

Alexandrite. Famous for its color-change ability. A rare and expensive gem, symbolic of joy and prosperity.

Moonstone. Known for its adularescence, and often associated with love, passion, and bringing good luck.

Pearl. Pure white pearls are believed to be a statement of taste, elegance, and purity.
