One of the most famous pearls in history is "La Peregrina," a pear-shaped pearl the size of a small egg. This historical pearl has been circulated among some very famous people over the last 500 years including Queen Mary, Napoleon Bonaparte, and Elizabeth Taylor, before being sold at auction in 2011 for \$11.8 million. Despite its beauty and obvious value, some say this 55-carat gem is cursed, which only adds to its intrigue.
